

At the Village court citizens are satisfied now

The village people of the union always want to be reliant on the union Parishad. They represent their various complains to the elected representative of the union parishad and hope to be solved this problems as soon as possible.

So, village court plays a vital role for the general people of the union.

Village court is going on at Forag Gong UP

If happens any painful events of a union the village people at first go to the chairman or the members and give complains to get the right judgment. But the village court of Farag Gang union under Lalmohan Upazilla of Bhola was not active for a long time. The general people of the union used to go to the residence of the Union Parishad chairman and the secretary for their needs. It was not only expensive but also painful for the general people of the union. Union parishad was closed at the office time.

The efficient members of the union jonosongoton are now participating at the various important meetings of the union parishad and giving their opinions. They are playing their roles to make the responsive union parishad to coordinate with the up members and the chairman.

The village court is now continuing by the discussion in the UPDCM at various times for the last one year. Village court sits on every Thursday at the fixed time at the Farag Gong union parishad.

The Union Parishad secretary Md. Makammal Haque says that last one year we got 250 registered complains and about 300 unwritten complains. Among that complains 192 written problems and 230 unwritten problems have been solved. If this complains have gone to the court or Thana then at least T.K. 5000 and T.K. 50-60 lac could be expensed. He said that at past time there was no register of that complain and it was not maintained at all.

The UP chairman Abul Basar Mrida said that continuing village court is a very difficult but he have to do it being a representative of the people. He also said that it has negative and positive sides. But he has to do it for the general public. The maltreating of the people has stopped. He also said that the members of the Jonosongoton were very serious to make active the village court. Actually the people hope lot to him but he cannot give the returns of their desire and now I am trying to do something for them. The Responsive Union

Parisad Project is giving various directions to continue the village court. The victim named Nurul Islam son of Khorsed Alam ward-6, Farasgang said that I complained to the UP for the area of the land and got the right judgment within 15 days. Now I am very happy to get this judgment. He again said that if such kinds of complains is solved in a short time then much money and misfortune can be solved. Then a corruption free society would be created.

Union parishad has become open for the benefits of the Citizens

By the initiatives of the Jonosongotan the Union Parisad has become open at last. At the time of reception meeting arranged by the Jonosongotaon the up chairman

UP Chairman is giving lecture at reception meeting

Nagor Haoladar said that still now the union parishad will be opened according to the government rule. He again said still now no public will be maltreated at the union Parishad and it will be opened for the sack of them.

At the time of the discussion of the reception meeting the leaders of the union parishad complains that the

The room of the UP secretary is open now

Borhangong Bazar is the busiest place of the Borhanuddin upazilla and the union is at the side of the bazaar but it is very painful that the union parishad is not open and people suffer a lot. But nobody knows that when the union parishad becomes open. As a result the coming people of the remotest area feel very upset when they see the union parishad closed. At the time of discussion the leaders of the Jonosongoton requested the UP chairman and members to be kept open the union parishad according to the rule of the government. The new elected chairman Nagar Haoladar declares opening the UP and according to his declaration the UP secretary, the digital center worker and the representatives of the govt. officials are giving their services. At 26.07.16 the resident of 04 ward, Pakshia Md. Malek went to the union for getting

the citizenship certificate but found it closed. He claims that I have heard that the union is open now and I have also found it opened.

Making Bamboo Bridge by the self initiative of the Citizen Committee

Hasannagar union is a river erosion union of Borhanuddin upazilla, Bhola.

Lack of infrastructural development the roads, culverts

General Citizens are crossing the river by the boat

and the houses are flooded by the over flow of mighty river

Meghna. In spite of natural disaster the

ward citizen committee was formed to solve the problems by creating good relation with the union parished. At wcc meeting various problems were discussed and initiated to solve the problems by taking various decisions and the responsibilities were given to the members of that committee.

At 23.7.2016 the monthly meeting was held and the infrastructural secretary Toslim Maji discussed that the main problem of this ward is the broken Bamboo Bridge in front of the Naya Bari. At present no people can cross this Bridge and suffer much by crossing the river with the boat.

At wcc meeting the issue was discussed very importantly and decided that three members would meet with the

By the leadership of Najrul Islam Bamboo Bridge is making

possible because the people suffered much at the time of going to market and other places.

When the three members of wcc committee met with chairman he said that at this time there is no allotment for that purpose and I have nothing to do now. Coming from the chairman they sat on a meeting again and decided to make the bamboo Bridge by their self initiative.

The wcc members collected money and other materials by the leadership of Nazrul Islam to make the Bamboo Bridge. At 27th July and 28th July the Bamboo Bridge was made by the initiative of the general people of the ward and the expense of that Bamboo Bridge was about 20,000 T.K.

At present many people are using the Bridge everyday

By completing the bamboo bridge citizens are using the bridge

while going to market, school and college. The resident of 03 ward Khadiga Begum said that at past

we faced a lot of problems while crossing the river by boat. The citizens of the union said that the wcc members created the example by making the Bamboo Bridge by their own initiative which will help the public to solve other problems of the ward. The general public gave thanks to the ward citizen committee to do such kinds of humanitarian work.

Achieving handicapped card by the demand of the ward shova

The handicapped Jumur has got the handicap allowance card by the demand of ward sova. Jumur Begum lives with his parents at Alinagar union, 06 ward. His father Sobuj Mia is a day labor and lives from hand to mouth. Jumur Begum is a physically handicapped girl so her family thinks a lot for her.

Her family told about her to the up member at several

Physically handicapped Jumur Begum

times but he did not give any importance. The allotted cards are very limited and this are not

distributed properly. So, getting any card was very difficult for the general people. At last June 14.6.2016, 2016 ward sova was arranged at 06 ward, Alinagar union to make yearly development plan. According to the rule the miking was done at the ward for knowing about ward shova.

Sobuj Mia was present with his wife and daughter at the ward sova. At the time of open discussion Sobuj Mia described about his real condition to the UP chairman. The present wcc members emphasized the issue very much to give a handicap card for his daughter. At last the chairman assured to give a card for his daughter.

At last 28.06.2016 the up chairman Mr. Basir Ahmed prepared the final name of 25 handicapped individuals and the name of Jumur Begum was welfare office and they would get the handicap allowance from that day.

Sobuj Mia said I lived from hand to mouth and the daughter was handicapped and for this reason I was very much disappointed. The wcc members requested for getting the card and I demanded for the card at the ward

sova. Still now my daughter will get the handicap allowance for all the rest of her life.

Not only the Sobuj Mia but also the other people of the union think that besides making the development plan making the list of extreme poor there is no alternative of ward sova. Union parishad is preparing the list of extreme poor with the presence of the citizen. And it was not thought at past.
