Participating in survival strategies of coastal poor
Emergence of **COAST**

- Upto 1998 it was limited into Southern Bhola.
Our Vision

We strive for a world of equity and justice where human rights and democracy are the social culture.

Our Mission

*COAST* organizes strategically important activities related to development which, in turn, will facilitate the sustainable and equitable improvement of life, especially of women, children and disadvantaged population of the coastal areas in Bangladesh through their increased participation in the socio-economic, cultural and civic life of the country.
Our values

COAST values are related to Working Approach, Learning Attitude, Human Potentials, Economy, Honor, Culture, People’s Organization, Governance, Accountability, Participation, Gender, Transparency, Information Technology and Bio-diversity.

We exist for the poor and for their interest
We work based on what we know
Our thought must be updated
We say what we understand
We believe in the equality of human being
Keep good relationship with all without compromising with values
