

NGO Business MODEL ?

Private Initiative / NoN STATE ACTORs for PUBLIC
GOODs : NGO 's Financial Sustainability :
How to Transform Business Model

M Rezaul Karim Chowdhury
www.coastbd.net, www.near.ngo

Will Financial Sustainability may create this original mission drift ?

- What we see among some NGO MFI (micro finance institution) because of minimalist approach or commercialization,
- or integration to market drive, create general alienation, over in debtness.
- Dr Yunus Social Business is one of the answer, may be not the best answer. Profit for development not for individual gain

Thank you!
