

## People's Participation

## Accuracy & Accountability

## Excluded People's Rights

COAST Foundation has been implementing a project named "Citizen Participation in Public Institutions (CEPI) project" from January 2019 which is technically supported by Manusher Jonno Foundation (MJF) and financially supported by FCDO. The project runs its activities in Bhola Sadar, Daulatkhan and Lalmohan Upazila under Bhola District. Its goal is to uphold the poor, marginalized and socially excluded people obtaining rights and access to materials, resources and services from the responsive local government Institutions (LGIS).

The implementation of Scam from local government Union parishad five year development plan formulated on the basis of public participation in Lordharding Union of Lalmohan Upazila of Bhola district is a reflection of people's hope for implementation of participatory work. As a result, about 6,000 (Six thousand) people have benefited from the union. It is very important for the movement of people in the area. It is known from the locals that ward development planning meetings (ward meetings) have been held since 2019 with the overall support of Coast Foundation and Union Parishad. The ward meeting has been held in the presence of the people of the profession. Again, the priority.
