COAST Foundation SEP Project observed the World Fisheries Day 2022 aiming to make the people aware to increase the production of safe fish. The theme of the day was "***Sustain & Conserve the Life in Blue***".

World Fisheries Day is celebrated every 21st November and represents a chance to recognize the vast and sometimes underappreciated food source for millions of humans that is the sea. A large number of Dry Fish Workers, Producers and Businessman from Bangladesh Largest Dry Fish Village Nazirartek, Cox'sBazar and SEP project staffs participated in the event.

At the event, the chief guest and other invited persons gave speeches emphasizing delivering safe fish to everyone and creating entrepreneurs by removing unemployment through fish farming. The fisheries sector is one of the important sectors to meet the nutritional needs of the people of the country, improve the socio-economic conditions and earn foreign exchange, they mentioned. Everyone prayed and hoped for more success and development in this sector for safer fish production, and eradication of malnutrition problems in the country along with economic growth of the country.

**COAST Foundation** SEP Project observed the Day with the active participation of Dry fish cluster owners, workers and outlet owners in Nazirartek, Cox'sBazar. A total of 45 People including Dry fish cluster workers, Owners and Businessmen from Nazirartek participated in the Rally. COAST Foundation SEP project distributed T-shirts and Cap to the participants at the event. Towards the end, an awareness walk was also conducted in Nazirartek which was followed by Snacks.

# Beneficiaries Feedback

SEP Project established two Organic Waste Management Facilities in Nazirartek, Cox'sBazar. Those facilities will help to keep the quantity of waste generated at each fish processing point and cleaning of spaces dedicated to fish processing point and disposal of wastes and residues.
